Good morning again, all,

To assist everyone with their questions, registrations, etc. we would like to remind folks of our Right Hand at New Horizons,

Shelly Mellomida
Senior Account Manager
New Horizons Computer Learning Center
1215 Howe Ave.
Sacramento, CA 95825
Tel: (916) 609-4721
Fax: (916) 641-8508
Cell: (530) 391-1021
shelly.mellomida@newhorizons.com

Shelly is a truly wonderful person and always happy to help us in any way we need it.

Shelly, would you like to say a few words? Yes, Carol, I would:

"Thank you for taking the time to review the enclosed information. This is Shelly Mellomida with New Horizons. Working with Carol Harper I have been given the opportunity to learn more about your organization. We were able to discuss how the products and services that New Horizons has to provide will be a viable solution to your training initiatives. I put together a custom Class Request Form for the convenience of every department to request their courses for training.

In addition, we can continue to provide classes dedicated only to UC Davis Med Center as we have previously for specific training needs. For example last quarter Visio Professional 2000 was an initiative that was a viable solution to benefit your business needs. There were at least 12 students confirmed for each event hosted. I felt keeping this training event private to your organization would not only increase team participation, but an opportunity to receive training that directly relates to your departments.

Please feel free to call me with any questions as I look forward to hearing from you!

Thank you for giving me the opportunity to support your training initiatives!"

Thank you Shelly, round of applause, please (Embedded image moved to file:

And, here are the attachments again, plus one showing the map to New
Horizons:

(See attached file: UC Davis Class Req Form.xls) (See attached file: UC Davis Med Ctr
Business Courses Flyer.doc) (See attached file: NH Local
Map.jpg)

we are here for you if you have any questions,
thanks,
carol
